LEGISLATIVE COUNSEL'S DIGEST

AB 143, as amended, Holden. Use taxes: exemption: Armed Forces: National Guard: transfer orders.

The Sales and Use Tax Law imposes use taxes on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state, presumes tangible personal property purchased outside the state that is stored, used, or consumed in this state is purchased for use in this state, and excludes from use taxes, tangible personal property purchased and used outside this state for specified periods of time. Existing law excludes from use taxes the storage, use, or other consumption of a vehicle purchased by a service member prior to receipt of official orders transferring him or her to this state, as provided.

This bill would, *until January 1, 2019*, exempt from use taxes the storage, use, or other consumption in this state of tangible personal property, other than a vehicle, vessel, or aircraft, ~~purchased by a member of the Armed Forces of the United States, the reserve components of~~

~~the Armed Forces of the United States, or the National Guard on active duty who had received official orders transferring him or her to this state, or his or her spouse, as provided. purchased while outside this state by a qualified service member, as defined, or a qualified service member's spouse or registered domestic partner, prior to the report date on official orders transferring the qualified service member to this state.~~

The Bradley-Burns Uniform Local Sales and Use Tax authorizes counties and cities to impose local sales and use taxes in conformity with the Sales and Use Tax Law, and existing law authorizes districts to impose transactions and use taxes in accordance with the Transactions and Use Tax Law which conforms to the Sales and Use Tax Law. Exemptions from state sales and use taxes are incorporated into these laws. Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.

This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse local agencies for sales and use tax revenues lost by them pursuant to this bill.

This bill would take effect immediately as a tax levy, but its operative date would depend on its effective date.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
